Please write a narrative of your business's story (in no more than 500 words) answering who, what, when, where, why and how. When was your business established in Bethany? Do you know of any unique stories connected with the establishment or continuation of Bethany itself or with other businesses, schools or churches in Bethany? You may also include, at no charge to you, one photograph. The business history story is free. We would love to include an ad to help publicize your business in the business area. Please contact Irwin Harris, 440-1224 or irwin.harris@cox.net for advertising information.

A committee member can help you write up your information if that would help you or you may do it yourself; however, we do need you to put together a list of the information you want to include . Please e-mail your history to the Bethany Centennial History Book Committee at www.bethany100.com or send it by regular mail to the address listed above. Histories must be received no later than July 4, 2009, to be included. We would prefer to scan old pictures ourselves, and we will return pictures you submit to us. Please be sure to write or otherwise attach your name, address and phone number to the backs of every photo so that we can return it to you.
